COLOXO®

PREMIUM PRODUCTS. CREATIVE MATERIALS.
GLOBAL PROCUREMENT SOLUTIONS.

At **COLOXO**, we help businesses source, develop, import and supply products through a combination of trusted manufacturing partnerships, global procurement capabilities and an expanding portfolio of premium products.

Whether you are looking for products from our catalogue or sourcing solutions beyond it, we work to deliver **quality, reliability and long-term value.**

WHY COLOXO?

More Than Products. A **Business Partner.**

WHAT MAKES US DIFFERENT

GLOBAL PROCUREMENT NETWORK

Access to trusted suppliers and manufacturing partners across multiple industries and product categories.

HONG KONG COMPANY & OFFICE

Strategically positioned to support international sourcing, procurement and trade activities.

DIVERSE PRODUCT PORTFOLIO

A growing range of papers, creative materials, office products, packaging solutions and specialty products.

DIRECT MANUFACTURING ACCESS

Factory sourcing, supplier evaluation and procurement support for custom requirements.

QUALITY FOCUSED APPROACH

Committed to product consistency, quality standards and dependable supply.

OEM & PRIVATE LABEL SUPPORT

Support for custom branding, packaging and product development projects.

TRANSPARENT BUSINESS PRACTICES

Clear communication and transparent procurement processes.

END-TO-END COORDINATION

From sourcing and sampling to production and delivery.

We believe in building lasting relationships with our clients.

WHY WORK WITH COLOXO

**RELIABLE SOURCING.
GLOBAL REACH.
TRUSTED PARTNERSHIPS.**

Hong Kong Presence. Global Advantage.

Your trusted partner for global sourcing and procurement success.

CONFIDENTIALITY COMMITMENT

We understand the importance of business confidentiality.

Product concepts, supplier information, pricing structures and sourcing requirements are handled with complete discretion and professionalism.

OUR SOURCING PROCESS

1

Requirement Discussion

We understand your requirements in detail and analyze the best sourcing approach.

2

Supplier Identification

We identify and shortlist suitable manufacturers based on your product needs.

3

Quotation & Negotiation

We obtain quotations and negotiate the best possible terms for you.

4

Sample & Quality Verification

Samples are evaluated and quality is verified before mass production.

5

Production Coordination

We monitor production closely to ensure quality and on-time delivery.

6

Logistics & Delivery

We handle logistics and deliver the products safely to your door.
